REMARKS

This application has been carefully reviewed in light of the Office Action dated March 27, 2008. Claims 1 to 3, 60, 62, 65 to 69, 75, 77 to 79, 85 and 87 to 89 are in the application, of which Claims 1 to 3 are independent. Reconsideration and further examination are respectfully requested.

Applicants acknowledge with appreciation the Examiner's indication of allowable subject matter in Claims 64, 74 and 84. Based on this indication, each of independent Claims 1 to 3 has been respectively amended to incorporate the subject matter of those allowable claims. In addition, the dependencies of Claims 65, 75 and 85 have been amended, and Claims 90 to 96 have been cancelled. Accordingly, an indication of allowance is respectfully requested.

Claims 1 to 3, 60, 62, 65 to 69, 75, 77, 85, 87 to 91, 93, 94 and 96 were rejected under 35 U.S.C. § 103(a) U.S. Patent 5,559,958 (Farrand) in view of "Windows 95 printer driver operation manual" (The '95 Manual). The foregoing actions have been taken without prejudice or disclaimer of subject matter, and without conceding the correctness of these rejections, in an effort to advance this case toward issuance more quickly.

No other matters being raised, it is believed that the application is fully in condition for allowance, and such action is courteously solicited.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

Attorney for Applicants  
Michael K. O'Neill
